Binom Steel Force B2 Multifunction Machine

GENERAL FEATURES

The Steel Force line has been designed and created for the continuous demands of the Fitness market, which demands high quality machinery at very competitive prices. You will be able to have the best professional quality in reduced spaces since almost all the machines in this line work more than one muscle group. Machines include:

- Chassis with ultra-reinforced structure.
- Top quality stainless steel.
- The most resistant steel finishes on the market.
- Multi-function free change of exercise that make exercise much more comfortable.
- The nickel plating on the adjustment points makes all the components durable and also adds a much more elegant and professional look to the machine.

Binom Fitness is our brand. Recognized in the world of fitness for its high quality and reliability, our machinery is proud to have the best response to intensive use, they are Muscle Building machines that with

minimal maintenance will give us joy for a long time.
