Binom Steel Plate Loaded BSL55 Hip Truster

GENERAL FEATURES

This hip truster machine from the Steel line has been designed and created for the continuous demands of the Fitness market, which demands high quality machinery at very competitive prices. You will be able to have the best professional quality in reduced spaces since almost all the machines in this line work more than one muscle group. **Machines include:**

- Chassis with **ultra-reinforced structure**.
- **Stainless steel** of the highest quality.
- The most resistant steel finishes on the market.

- **Exercise switching free** of double functions that make the exercise much more comfortable.
- We adjust prices based on the quantity demanded.
- We can **customize both the upholstery and the colors of the structures**, the machines leave the factory fully assembled and with all the components revised to the maximum.

Our hip truster is recognized in the world of fitness for its high quality and reliability, our products are a benchmark for having the best response to intensive use. As it is a professional disk loading machine, you can give it a very high performance without any of its components having a minimum of suffering.
