You can save space and money. All the biomechanics of this machinery have been created by the best engineers and trainers in order to isolate the muscle in the most efficient way.

Binom Unlimited BT1 SemiPro Treadmill

GENERAL FEATURES

The Binom BT1 has: approximately 4 horsepower that allows it to reach 20 km/h and an extra-large running surface of 145 x 55 cm. It is a quality treadmill that meets the needs of the professional Wellness sector focused on a unique and exclusive design. It is the ideal solution for all hotels, fitness clubs and spas that wish to offer a unique experience to their customers.

- **Tablet support:** The console includes a mobile or tablet support so that you can carry out your workouts on the treadmill following your favorite series.

- **0 – 15% incline:** Control the incline of the treadmill and perform interval hill workouts making sure you maintain a constant speed and a controlled environment.

- **Comfort in the race.** The new design of the BT1 with double shock absorber allows the runner to feel a more comfortable footstep and reduce the impact produced on their joints.

Binom Fitness is our brand. Recognized in the world of fitness for its high quality and reliability, our machinery is proud to have the best response to intensive use, they are Muscle Building machines that with minimal maintenance will give us joy for a long time.

Binom's new UNILIMITED cardio range is ideal for combining effectiveness, quality-price and aesthetics. An innovative and semi-professional line accessible to any sports field, such as hotel gyms, neighborhood communities, personal trainer studios or intensive use at home.
