Description

Binom Be Fit - Blue Suspension Kit

Suspension Training is the exercise system that makes use of gravity and body weight to exercise different

muscle groups. You are in control of each exercise, because you can simply adjust your body position to add or decrease resistance.

GENERAL FEATURES

- The Kit includes: mesh bag for transport, rubber grips, door anchor, adaptable anchor straps (nylon, for greater resistance), hooks and safety carabiner (of titanium and aluminum).

TECHNICAL SPECIFICATIONS

- **Weight:** 2 Kg.
- **Color:** Grey and blue.

All our accessories are manufactured with the highest design and quality controls to offer our customers the best quality at the best price.
