Description

Binom Be Fit - Weightlifting Platform

Binom professional weightlifting platform. Ideal for crosstraining and functional training. This platform stands out for its insulation from the ground thanks to the high-density rubber with which it is composed. Thanks to the platform you will be able to isolate the impact and absorb the noise of the falling discs.

GERAIS FEATURES

- **High density rubber** to isolate impact and absorb noise.
- It has a **platform** in the center for the user.
- **Material:** High density rubber.
- **Measurements:** Width: 190cm x Length: 250 cm x Height: 4 cm.

All our accessories are manufactured with the highest design and quality controls to offer our customer the best quality at the best price.
