Description

Binom Strength - Adjustable and Foldable ABS Bench

The Binom Bench has been meticulously designed to provide effective abdominal muscle training. Made with durable leather that ensures comfort and longevity, this bench is easy to keep clean. Its sturdy high-quality steel tube frame provides a solid and stable base during use. The innovative double-triangle backrest design enhances stability during exercise. With multiple adjustment options—including a 6-level backrest and a seat with 3 different positions—this bench adapts to the user's individual needs. Additionally, its foldable and portable design makes it easy to store and transport, making it a convenient solution for optimizing space in any training area.

GENERAL FEATURES

- Comfortable and soft leather bench. Wear-resistant and easy to clean. Sturdy structure made of high-quality 50 x 50 x 1.5 mm steel tubing.
- The backrest support is designed in a double-triangle shape for added stability.
- Multiple angles to meet user needs.
- Adjustable backrest with 6 levels and seat with 3 positions.
- Safe and stable under heavy load.
- Portable and foldable. Takes up little space.
