Description

Binom Strength - BS130 GHD Bench

The GHD bench from the Binom brand offers a versatile and robust design to work glutes, back and abdomen effectively. Its structure has adjustment in the foot area to adapt to different heights of users, while the 4 padded rollers ensure support in the upper area of the ankles. In addition, it includes a bar to store discs and has two grips on each side for greater stability during exercise. With a maximum supported load of 200 Kg and a 3 mm thick structure tube, this bench guarantees strength and durability. Presented in a stylish matte black color and with Q235 rectangular tube main dimensions of 50 x 80mm, it provides a reliable and stylish option for demanding workouts.

We are more than confident in telling you that by choosing this machine your investment will be guaranteed with a 100% reliable and precise product. With all the necessary spare parts in stock. You can save space and money. All the biomechanics of this machinery have been created by the best engineers and trainers to isolate the muscle in the most efficient way.

Binom Strength - BS130 GHD Bench
