Description

Binom Be Personal - BP103 Adjustable Weight Rack

The adjustable weight rack is an essential machine for fitness enthusiasts, allowing for a wide range of exercises to be performed safely and efficiently. With a sturdy main frame of 50 x 50 mm, it offers stability and security, supporting up to 90 kg of weight. Despite its strength, it is lightweight, making it easy to move around to maintain order at home. Additionally, its versatile height and width adjustment through a "pop-in" system allows it to be adapted for different exercises, from squats to chest presses, while its durable supports ensure a long product lifespan.

We are more than confident in saying that with the choice of this machine, your investment will be guaranteed with a **100% reliable and accurate product**. With all necessary spare parts in stock. You'll be able to save space and money. The biomechanics of this machinery have been created by the best engineers and trainers to efficiently develop muscle.

Binom Be Personal BP103 Adjustable Weight Rack

GENERAL FEATURES

The regulation system of this rack allows you to adapt it to the needs of each exercise, enabling a **wide variety of exercises** to be performed, such as squats, calf exercises, or exercises like shoulder presses and chest presses if a bench is added. With a maximum load capacity of 90 kg, this rack is versatile and meets the needs of various users. Despite its robustness, it is surprisingly lightweight, weighing only 14 kg, allowing you to easily move it when not in use, thus facilitating home organization.

The new Be Personal range from Binom is ideal for **combining effectiveness, value for money, and aesthetics**. An innovative and semi-professional line accessible to any sporting environment, including intensive home use.

Our Binom Fitness brand is recognized in the fitness world for its high quality and reliability; our machinery is proud to offer the best response to intensive use, these are muscle-building machines that with minimal maintenance will bring joy for a long time.
