Description

Binom Strength - Bench BS121 Adjustable Bench

Discover the ultimate versatility in your training routine with this multifunctional bench. Its two key positions, flat and inclined, provide the variety you need for your exercises. But that's not all, its foam footrest adds extra comfort and stability during your sessions. With an adjustable backrest in different positions, you can adapt the inclination according to your preferences and training needs. Moreover, its practical design with transport wheels and built-in handles makes it easy and convenient to move from one place to another. Manufactured with top-quality materials like leather and cotton, it ensures durability and resistance to wear. Discover what this bench can do for you.

We are more than confident to tell you that with the choice of this machine, your investment will be guaranteed with a 100% reliable and precise product. With all necessary spare parts in stock. You'll be able to save space and money. The entire biomechanics of this machinery has been created by the best engineers and trainers to isolate the muscle in the most efficient way possible.

Binom Strength Bench BS121 Adjustable Bench
