Description

Binom Ultimate - BU102 Plate-Loaded T-Bar Row - 100% PROFESSIONAL

The Binom Ultimate BU102 T-Bar Row is designed to provide comfort and durability during your workouts. Its high-quality steel frame, with a tube thickness of 3 mm, ensures strength, while the backrest features a high-density foam cushion covered in premium leather, offering ergonomic support and comfort even during long training sessions.

The wide and adjustable platform allows you to place your feet at the desired height, adapting to different users and training styles. In addition, its adjustable grips make it easy to choose the hand spacing according to your preference, optimizing range of motion and exercise effectiveness.

We are more than confident in saying that with the choice of this machine your investment will be guaranteed with a 100% reliable and precise product. All necessary spare parts are in stock. You will be able to save space and money. The entire biomechanics of this machine has been created by top engineers and trainers to isolate the muscle in the most efficient way possible.

Binom Ultimate BU102 Plate-Loaded T-Bar Row

GENERAL FEATURES

The plate-loaded machines of the Binom Ultimate line deliver superior performance for strength training. Incorporating advanced technology and high-quality materials, they guarantee a more efficient and comfortable exercise experience for the user.

Their sporty design, carefully crafted, stands out for elegance and modernity, while also providing exceptional ergonomics. The combination of colors and finishes gives it a distinctive touch that enhances any gym

environment.

Muscles involved in the exercise:

- Latissimus dorsi.
- Deltoids.
- Trapezius.

Built to withstand the most intense use, our plate-loaded machines combine strength and precision in every movement, ensuring safe and efficient training. With premium materials and a robust design, they are the ideal choice for those looking to maximize performance without compromising durability.

Enhance your training with the plate-loaded machines from the Binom Ultimate line: elegant design, unmatched performance. Take your strength to the next level!
